

MEET THE TEAM

EMILY WIRTH

Executive Director

After earning her Master of Science degree in Biology from the Edinboro University of Pennsylvania, she began working for the University of Florida, where she wrestled alligators in the Everglades. Emily joined our team in 2011 and has a thorough understanding of every aspect of CEHMM. She has over ten years of experience in wildlife research and conservation and more than five years of NEPA experience. Emily and her husband, Kevin, have two beautiful daughters.

Thank you Emily!
